

REMARKS

New claims 21-26 submitted herewith are the same as prior claims 29-34 which had been added to the parent case by amendment. Those were non-elected claims in the parent application. Also, the specification has been amended at page 13, line 3 in the same manner as was the parent application, and the formal drawings reflect the same change that was approved in the parent application.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'L. Beavers', written over a horizontal line.
